DESERVE CREDIT.

For Fight Made in Behalf of Real
Kentucky Whisky.

The Louisville Free Press says: "In
all this agitation of the pure food
law it should be remembered that E.
H. Taylor, Jr., & Sons, of Frankfort,
the distillers of the famous 'Old Tay-
lor,' were the men who made the
name 'Kentucky Whisky' the subject
of universal interest that it is today.
Almost single handed, this old-fash-
ioned firm, which has never learned
any of the short cuts of the business,
has contended for the right of the
consumer to get what he calls for
when he wants real Kentucky whisky.

They have fought for this principle
in the courts, in the public press and
in the halls of Congress.

"Today E. H. Taylor, Jr. & Sons
have the right to be proud of the
work they have done. Their own
business has reaped a rich harvest
from the increased demand for Old
Taylor that has come with the pub-
lic demand for straight whisky, the
result of their long and costly cam-
paign for education. They make their
whisky in the old way."

Itching piles provoke profanity, but
profanity won't cure them. Doan's
Ointment cures itching, bleeding or
protruding piles after years of suffer-
ing. At any drug store.

new day has dawned. Large
a philanthropists have opened
the door of opportunity at the
Philadelphia School for Nurses, 2219
Chestnut Street, Philadelphia, Pa. A
Two Years' Free Course has been es-
tablished at this institution, wherein
the student is provided with room,
board, laundry, nurse uniforms, and
all the suitable training, instruction
and actual nursing in the homes of
the poor and among the people of
moderate income, and at the end of
the course the student's fare home
is paid.

The term can be shortened to eigh-
teen months by a course of six months
reading and study at home—a course
which is very valuable in itself. Hun-
dreds of young women, scattered all
over the country, are started in the
work, becoming not only self-support-
ing, but a boon to their respective
neighborhoods.

A short course is also provided for
the woman who wishes to quickly pre-
pare for self-support and a substantial
income.

Enrollment is now in progress for
a class of four hundred students in
the Resident Courses next year.
Young women from the smaller towns
and country districts are favored in
the distribution of scholarships, with
a view of conveying hospital knowl-
edge to all rural communities.

KING'S DAUGHTERS CIRCLE HOLD THANKSGIVING SERVICE.

The King's Daughters held a thanks-
giving service, on Tuesday afternoon,
at the Christian Church.
Rev. Wm. Crowe and Rev. C. R.
Hudson made appropriate addresses.
Delightful music was rendered by
a special chorus.

A thanksgiving offering of some-
thing over \$100 was made.
From the reports made, the work
of the hospital was shown to have
been very successful.

The following tribute to Miss Tu-
ley, the superintendent, was adopt-
ed:

"The Board of the King's Daughters
Hospital, ever duly appreciating the
efficient services of the superintend-
ent, Miss Tuley, would at this time,
especially express that appreciation
and commend her upon the ability
and faithfulness with which she met
every demand during the very trying
ordeal through which the hospital has
so recently passed."

BURNED BY CANNON CRACKER.

A lad by the name of Wm. Eales was,
with several companions, firing crack-
ers on Arsenal Hill, Monday evening,
when one of the boys threw a cannon
cracker under him and it was ex-
ploded before he could get out of the
way. The consequence was that
young Eales was badly burned on the
right leg.

Dr. J. G. South happened to be pass-
ing and took the lad home in his bug-
gy and dressed his injuries. Provided
blood poison does not set in he will
soon be about again.

Dr. Weaver's Treatment.
Syrup purifies the blood, Cerate heals skin eruptions.
